

Julie McGuire, RN, MSN Vice President of Epic IT Consulting Services

Culbert Healthcare Solutions, a management consulting firm serving healthcare organizations, today announced the promotion of Julie McGuire, RN, MSN as their new Vice President of Epic IT Consulting Services.

Julie is a forward-thinking healthcare IT executive with over 25 years of experience in healthcare collaborating with operational and clinical partners to transform operations through the adoption of technology. In her new role, she will be responsible for the growth and delivery of Culbert's Epic suite of consulting services which includes clinical transformation, digital health, implementation and upgrade services, and optimization programs.

Prior to joining Culbert in July 2021, Ms. McGuire led efforts to define a unified clinical communications strategy for a west coast pediatric health system. She also served as Director, Enterprise Systems Clinical at Texas Children's Hospital, the nation's largest pediatric integrated health systems. In this role, Julie spearheaded the clinical IT strategy and its implementation with responsibility for 100+ staff and a multi-million dollar operational/capital budget. During her tenure, she co-chaired key governance committees in partnership with CMIO, AMIO, nursing clinical informatics, and operational leadership to maximize Epic and other clinical technology capabilities. Ms. McGuire chaired the HIMSS Stage 7 committee that led to attestation for both EMRAM and OEMRAM for Texas Children's in 2019. She has extensive experience in Epic implementations including modules such as Beaker, Cupid, Beacon, upgrade, and enhancement strategy focused on quality and efficiency, clinical communication solutions, and access efforts.

Julie's breadth and depth of experience on both the operational and clinical sides working with large integrated systems will bring an additional level of expertise to our team and allow us to continually deliver performance improvement strategies to our clients," said Brad Boyd, Culbert's President.

Ms. McGuire completed her Master of Science of Nursing at The University of Texas Health Science Center Cizik School of Nursing. She is active in many professional organizations including the Houston Chapter of HIMSS where she serves on the board as the chair for the Women in IT event. She also volunteers her time as a mentor as part of the Talent Path program.
